

WORKS BARRICADE

ALL PLASTIC TYPE III BARRICADE

TD2400 SERIES

MEETS MUTCD STANDARDS & NCHRP350 CRASH TEST APPROVED*

OPTIONAL WIND BRACE

FEATURES:

- Lightweight, easy to assemble and durable.
- Manufactured from a specially formulated plastic compound, utilizing polymer protection and a UV stabilizer.
- Designed to yield upon impact to minimize damage to the vehicle.
- Available with TD4000 (1"x8" and 2"x8") extruded plastic boards in any length desired.
- Reinforced ribs provide extra strength that reduces bending and warping in hot climates.
- Endcap for the TD2400 provides internal support that eliminates tightening problems on hollow core plastic boards.
- See TD4000 for additional benefits.
- Wind Brace available for additional support.
- For High Wind areas use extra sand bags.

COLORS AVAILABLE:

The TD2400 Works All Plastic Type III Barricades are currently available in white with black uprights. Three D Traffic Works can manufacture this product to your desired color.
