

WORKS BARRICADE

WOOD AND STEEL TYPE III BARRICADE

TD2500 MODEL

NCHRP350 CRASH TEST CERTIFIED
AND MEETS MUTCD STANDARDS

FEATURES:

- Type III barricades can be purchased as assemble units or component parts. Legs and boards can purchased separately. All barricade components are interchangeable.
- Durable hot rolled carbon steel upright frame and base stand with 2"x2" square tubing receiver.
- Designed to accommodate two flashing lights.
- Distinctive base design allows for short term or permanent fastening.
- Frame and base are protected with powder coated enamel paint.
- Plywood boards can accommodate reflective sheeting on both sides of boards.

COLORS AVAILABLE:

The TD2500 Works Type III Barricades are currently available in white. Three D Traffic Works can manufacture this product to your desired color.
