

RubberTough sign systems provide a very durable, flexible and low maintenance alternative to traditional steel signage. Each sign post has a unique Swing Hinge, which allows the sign to withstand multiple impacts and keep bouncing back. Even the signs are impact resistant because they are made from a flexible plastic that can easily bend during impact. Custom color posts available. Call for details.

SIGN POST OPTIONS

PORTABLE

Includes 3-1/2" (88.9mm) sign post with single sided sign hardware and a 34"x 15"x 2.125" (863.6mm x 381mm x 53.98mm), 32lb (XXkg), recycled rubber mat with quick release hardware. Sign Panels not included and must be ordered separately.

Size	Part No.	Panel Size
36" 914.4mm	ST936PCD32WX	18" - 32" 457.2mm - 812.2mm
48" 1219mm	ST948PCD44WX	18" - 44" 457.2mm - 1118mm

Double Sided Hardware available.

SOIL ANCHOR SPIKE

Includes 3-1/2" (88.9mm) sign post with single sided sign hardware attached to a very heavy-duty soil anchor spike. See page 10 for soil anchor installation tools. Sign Panels not included and must be ordered separately.

Size	Part No.	Panel Size
36" 914.4mm	ST936GPS32WX	18" - 32" 457.2mm - 812.2mm
48" 1219mm	ST948GPS44WX	18" - 44" 457.2mm - 1118mm

Double Sided Hardware available.

SURFACE MOUNT

Includes 3-1/2" (88.9mm) sign post, single sided sign hardware, plastic base and connectors to attach post to base. Can be mounted to asphalt or concrete using epoxy, butyl pad or mechanical fasteners. Sign Panels not included and must be ordered separately.

Double Sided Hardware available.

Size	Part No.	Panel Size
36" 914.4mm	ST936SMP32WX	18" - 32" 457.2mm - 812.2mm
48" 1219mm	ST948SMP44WX	18" - 44" 457.2mm - 1118mm

QUICK RELEASE PORTABLE BASE

Quick release mechanism requires no tools and makes set up and tear down simple.

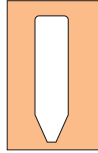

"The portable sign system is easy to store and transport!"

HEAVY DUTY FLEXIBLE VERTICAL PANELS & SIGNS

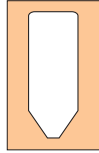

RubberTough panels and signs are available for use with Surface Mount, Soil Anchor and Portable Systems.
Custom signs available.

WHITE BLANK PANELS

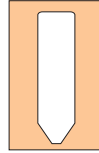

White 0.125" (3.175mm) thick flexible panels with no reflective panels or decals applied. If you want to add your own reflective or decals, please follow the reflective or decal manufacturer's instructions for adhering their product to plastic panels to ensure high quality performance.
